

Hugo Campos

I am a student of Computer Science Civil Engineering at Federico Santa María Technical University. I am actively seeking opportunities to enhance my knowledge, skills, and experience related to computer science and scientific research, particularly in physics and astronomy.

Education

- 2015 – 2018. Electronic technician
Santa Cruz’s Polytechnic Institute – Chile
- 2019 – Present. Computer engineering
Federico Santa Maria Technical University – Chile

Experience

Ago. 2025 – Present

Researcher assistant – USM

Neuroscience & Neurotechnology

- I am currently researching Neuroscience and their applications in Engineering.

Mar. 2024 – Mar. 2026

Developer assistant – AC3E

ASTRI Project

- After my internship I was hired as developer assistant to develop software using ACS, Java and Python.

Jan. 2024 – Feb. 2024

Internship – AC3E

ASTRI Project

- I was responsible to help to develop and test ACS Components for the project.

Mar. 2023 – Jul. 2023

Teacher assistant evaluator – USM

Programming languages course

- I was responsible to check and evaluate the students homework, each one based on different programming languages.

Ago. 2022 – Dec. 2022 | Ago. 2025 – Today

Teacher assistant – USM

Programming languages course

- I was responsible to dictate an extra class, oriented to explain and review contents learned in class.

Personal information

Name: Hugo Fernando Campos Castro

Residence: Valparaíso, Chile

Birthday: August 21st, 2000

Email: hugo.campos@usm.cl

Technical Skills

Programming languages:

- Python
- JavaScript
- C/C++
- Java

Tools:

- GNU/Linux
- Docker
- Grafana

Collaboration:

- Git
- GitLab/GitHub
- SCRUM

Frameworks:

- ALMA Common Software (ACS)
- Pytorch
- Keras
- React
- NextJS
- Numpy

Soft Skills

- Problems solving
- Teamwork
- Effective communication
- Resilience

Personal Interest

- Science & Technology
- To travel
- Neuroscience
- Innovation
- Physic
- To research
- Deep learning
- Music
- To study languages
- To draw

Languages

- Spanish (Native level)
- English (B2 level)
